Instructions:

- Events 1, 2, and 3: Each time a player(s) wins a race, place an X in the box, first with 2 X's wins that Round.
- Event 4: The team to go first sets the "time to beat", the other team then has their 3 attempts to beat that time, if they get a faster time, the first team has 2 attempts remaining to get a better time. Each team only has 3 total attempts.
- Event 5: Run a HTH race and place an X in the box for which team won the race.
- Use the W/L column to determine who receives the points for that Event and total the points in the "Match Points" boxes to determine the winner.
